Sailing lessons are popular. Once classes are full, a waiting list will be developed for next year.

Weekend basic keelboat sailing courses for the season begin Memorial Day weekend and will run weekly as demand requires through Labor Day. Weekend classes are held Friday evening from 6 until 9 p.m. and Saturday and Sunday from 8:30 a.m. until 4 p.m.

Successful completion earns a Skipper "B" qualification card. Classes must be booked by reservation. This is a popular course and a waiting list is maintained throughout the year. This course is available to authorized MWR customers, ages 16 or older. The course fee is **\$275** per person (**\$250** for active duty) and includes course materials. Students can add the ASA 101 test for an additional **\$125** (**\$100** active duty) Payment is due at least 30 days prior to scheduled class. No refund for cancellation within 5 days of course commencement unless unusual circumstances apply.
