

## **Ticket Information:**

### **1-Day Seasonal Ticket**

Tickets can be used for any day *except* for December 17-31, 2022. These tickets expire December 17, 2022.

### **Base Ticket**

Admits guest to one theme park each day of use. Park choices are: Magic Kingdom Park, Epcot, Disney's Hollywood Studios, or Disney's Animal Kingdom.

### **Park Hopper**

The Park Hopper option allows Guests to visit more than one park per day. Guests must make a theme park reservation via the Disney Park Pass reservation system for the first park they plan to visit. After entering that first park, Guests will be able to visit the next park starting at 2 PM until each park's regularly scheduled closure. The ability to visit a park is subject to the park's capacity limitations. At this time a park reservation is not required after the first park, however, reservation requirements are subject to change.

### **PLUS**

Option entitles guest to a specified number of visits (between 2 and 10) to a choice of entertainment and recreation venues. Choices are Disney's Blizzard Beach water park, Disney's Typhoon Lagoon water park, Disney's Oak Trail golf course, ESPN Wide World of Sports Complex, Disney's Fantasia Gardens and Disney's Winter Summerland Miniature Golf Course.

GENIE+: Disney Genie+ service offers the opportunity to reserve on the day of park visit an expedited access window for certain attractions and experiences in the theme park or theme parks that the ticket holder visits with the ticket. Disney Genie+ service allows the ticket holder to hold an expedited access window for only one attraction or experience at a time. Some attractions and experiences are not available on Disney Genie+ service, and the number of expedited access windows for each eligible attraction or experience are limited. The expedited access window offered to the ticket holder by Disney Genie+ service may be next available. Ticket holder will need to have the My Disney Experience mobile app on day of park entry to use Disney Genie+ service. The Disney Genie+ service user interface is in the English language only. It is expected that more than 50 attractions and experiences throughout the four Walt Disney World theme parks will have expedited access windows reserved with Disney Genie+ service. Disney Genie+ service also includes some in-park audio experiences and some special in-park functionality that can be used on certain photos taken by the guest while in the park.
