Moving OCONUS with school aged children?
Check out DoDEA and the Non-DoD School sites for information before you go!

DoDEA's online registration system allows parents to pre-register their dependents for school in a secure online environment. This system is also beneficial in providing the receiving schools with advance awareness of student enrollment. The online registration system is available at <https://registration.dodea.edu/>

The Non-DoD Schools Program (NDSP) provides support and funding for the education of authorized command-sponsored dependents of military members and Department of Defense (DoD) civilian employees assigned to overseas areas where no DoDEA school is available within the commuting area.

AACPS Kindergarten Registration begins on April 4.

DirectSTEP® eCourses FREE of charge.**

Parents and educators both play a critical role in educating students with disabilities. Navigating the complexities of special education laws and procedures can be challenging for all involved. It is important that both parents and educators know how to comply with the legal requirements in every decision, every class-room, every program – every day.

DirectSTEP® eCourses explain legal requirements and best practices for behavior management, autism, IDEA eligibility, IEPs and more. They also teach parents and educators how to handle critical education issues to obtain positive outcomes while applying education laws to the day-to-day world of teaching and learning. These eCourses are available for use by all Sailors, parents, Military/DoD personnel assigned to Navy installations and K-12 educators serving military children.
